

# BUSINESS-FOCUSED HR SEMINARS

## ABOUT THE SEMINARS

Impact HR's seminars are designed for small business owners and managers who want to grow their business and improve their team performance.

Topics include team management, strategic business growth, hiring and interviewing, managing performance and paying employees.

## WHAT YOU WILL GET

- Practical guidelines to improve your business' processes
- Best practice for team management & performance
- Hands-on activities and supporting documents
- Pragmatic approaches to be implemented immediately
- Free one-to-one business consultations with Therese

### ABOUT THERESE

- Passionate about business' people, performance and profitability
- Over 20 year's experience across a diverse range of industries
- Knowledgeable and tailored, personal approach
- Telstra Business Woman of the Year nominee in 2011

*"It was just plain old bloody great! :)"*

*"This was an excellent workshop,  
very relevant"*

*"Really got me thinking about looking  
'outside the box' for ideas"*

We're happy to organise a bespoke event for your company. Talk to us today to discuss availability and ideas.
